

# Endeavour World Equity

Capital growth with less volatility

May 2025

Endeavour World Equity Fund was previously the EF Tellsons Endeavour Fund, under a revised investment objective. Effective 10<sup>th</sup> May 2024, the legacy EF Tellsons Endeavour, a 20-60 Mixed Assets strategy launched in 2014, became the Endeavour World Equity Fund and moved to the IA Flexible Sector. The investment objective of the Endeavour World Equity Fund is capital growth over rolling 5-years, net of fees, with less of the volatility of world equities. Equity investment of between 75-100% of the fund is permitted with up to 10% diversifying investments in government bond and precious metals ETFs, with overseas currency unhedged. The comparator benchmark for the new fund is the IA Flexible sector peer group average.
